Milton Keynes is well served by a host of food, retail and lifestyle amenities.

Whether it's for that morning coffee, meeting for lunch, or an evening out, everything you need is on the doorstep.

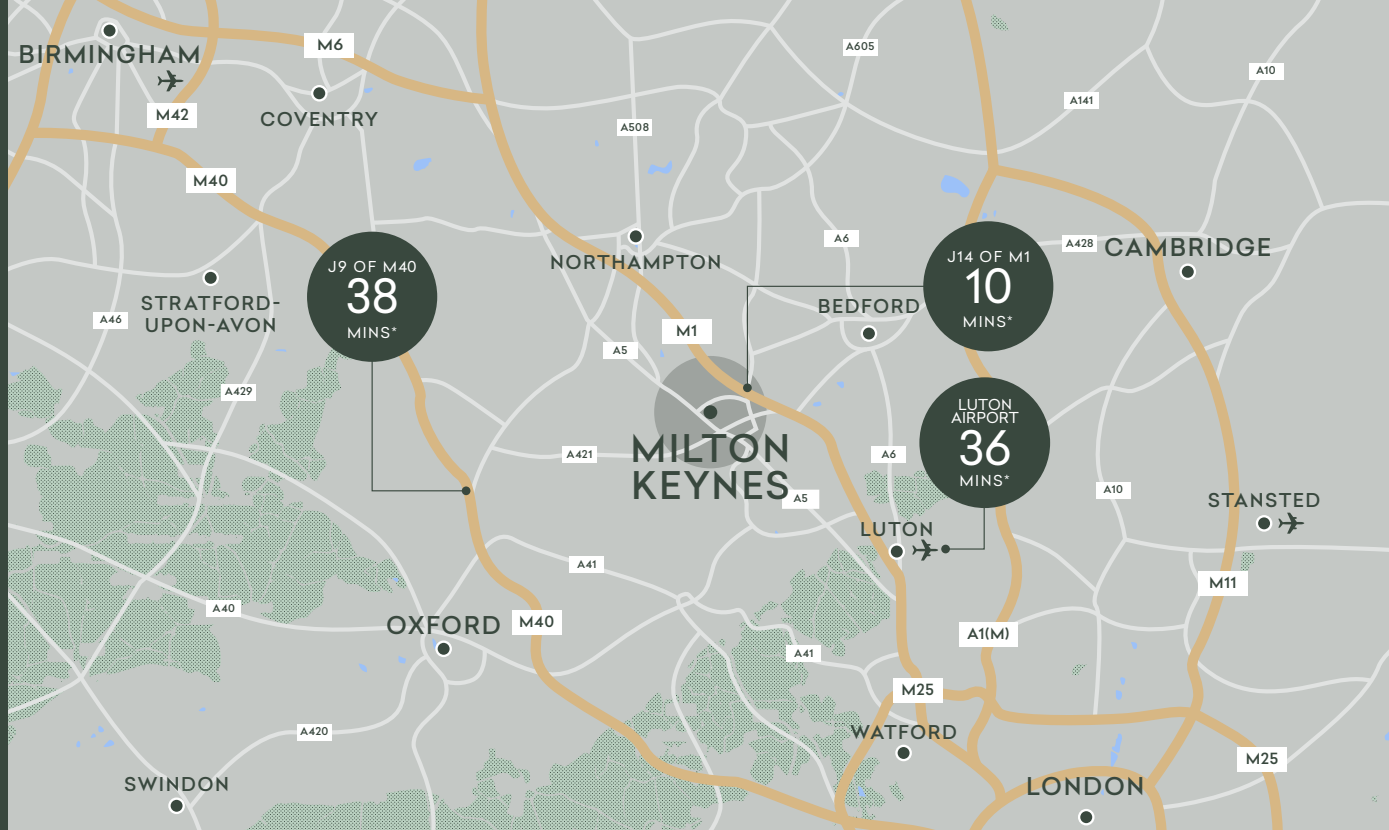

CONNECTIVITY

# Totally connected

Milton Keynes is strategically located at the centre point between London, Birmingham, Oxford and Cambridge.

The area is well served by road networks and rail connectivity to allow tenants a quick and easy commute or journeys further afield.

## RAIL

London Euston	34 mins
Birmingham New Street	52 mins
Manchester Piccadilly	2hr 31 mins

Journey time from Milton Keynes Central.

## East West Rail

The new fast rail link will directly connect the cities of Cambridge, Milton Keynes and Oxford, cutting current journey times in half.

Phase One from Oxford to Milton Keynes is due to be operational in 2025 and the entire line operational by 2030.

# Ready for business

Milton Keynes is at the centre of the 'UK Growth Corridor', stretching across 2.8 million acres and home to some of the UK's most productive and fast-growing cities.

Known as 'The Arc', Milton Keynes is at the centre and is well-placed to benefit from the resulting future business growth with its continued success being declared a 'national priority' by the National Infrastructure Commission.

 ..... East West Railway

## MILTON KEYNES BENEFITS

### Growth

4th fastest growing economy over the next 12 months, growing by £0.5 million and increasing year-on-year by 3.3%.

### Population

MK's population is projected to exceed 300,000 by 2027, with the demographic weighted towards the young and working age brackets.

### Start it up

Top 10 City for start-ups in the UK, with new business growth of 27% between 2016-2020, ahead of London.

### Education

MK:U, the UK's first university focused specifically on technology, engineering and science courses.

### UK top five

Recognised as the national hotspot for entrepreneurial activity and ranks in the UK's top five for concentration of high tech and digital SMEs.

### Green Energy

The Central Business District is supplied with low carbon district heating and electricity by a Heat and Power (CHP) energy station.

### Super connected

Britain's fastest fibre optic network offering up to 1,000 mbps. Full fibre connections are a policy requirement for all new developments.

## THE ARC BENEFITS

### Qualified

Oxford and Cambridge have the most highly qualified workforce in the UK with c.60% educated to degree level.

### Investment

Infrastructure investment and new homes set to create c.1.1m new jobs by 2050.

### Universities

Home to two of the top ten universities in the world.

### Economy

Supports over two million jobs and adds over £110bn to the economy every year.
